Code Red Band Requirements:

1. Must have sprites playing instruments.

2. Must allow all 3 instruments to be played independently.

3. Also have a way to play all 3 instruments at the same time by hitting space bar.

4. Sprites should move when playing their instrument.

5. Have a band name on the page that also moves (spinning, back and forth, up and down etc...). It can be an auto draw or it can be letters used as sprites.

6. A background that fits your band.
