

Rube Goldberg Machine Expectations

- I will use all tools appropriately
- I will respect and not touch other teams machines
- I will be on task at all times
- I will stay at my work station and not walk around room
- If I misuse tools or behave in an appropriate manner I understand that I will be held accountable for my actions
- I understand that if I choose not to work or if my partner does all the work I will be held accountable for my actions and may receive a different grade
- I understand that even if my machine doesn't work it will not affect my grade as long as I put in an honest effort
